## Love Where You Live? Help Lead It.

Our community is special because of the people who care about it. That includes you.

We have a lot to be proud of, and even more we want to keep improving. To do that, we need more neighbors to get involved. New ideas, fresh perspectives, and a willingness to help your fellow neighbors are what make our community strong. **If that sounds like you, we would love to have you join the HOA.**

Serving on the HOA Board is a great way to make a real impact in our community. We meet every other month and work together as a collaborative, productive group that welcomes new ideas. No prior experience is needed, just a desire to help make our neighborhood even better.

We currently have multiple vacant positions on the sample ballot included, and we would truly love for you to consider writing in your name at the **Annual Meeting on May 12**. We look forward to seeing you there and hopefully welcoming you to the board.
